- \* Comment. No essential changes in the occupation of the river training site near Bittkau are discernible. Paragraph 2 of the present report mentions vehicles of a headquarters engineer unit of the Fourth Gds Mecz Army which left Neuruppin on 12 July 1951, probably going to the Jerichow area. The other vehicles mentioned in the present report belong to components of the 9th Gds Mecz Div, the 18th Mecz Div, the 207th Mtz Rifle Div, and headquarters units of both the IX Mtz Rifle Corps and the Third Shock Army which, with the exception of the vehicles of the 18th Mecz Div, have been repeatedly reported from the river training site. 25X1
